

September 28, 2021

Pakan school will be closing our doors on Thursday, September 30th and Friday October 1st at the recommendation of Chief and Council. We will remain open to students on Wednesday, September 29th to prep them for the next few days. We will hopefully open next week as we are experiencing high numbers of Coronavirus transmissions within the nation. In order to protect our students, the decision was made to close the school for the next few days to reduce any chances of exposing our students to this virus.

We will send packages home on Wednesday to provide supplemental learning materials to students.

We will postpone our Truth and Reconciliation ceremonies until next week or until further notice. We will keep parents posted when this decision is reversed and we will notify Parents if there are any changes in the delivery of our programs.

If you have any questions please contact us at the number above.
